OUR FACILITIES

Here, you can take in the breathtaking beauty of the Ranch Creek Valley snuggled into a plush sofa with a cup of hot tea. Soak in an oversized copper tub. Soak in the views. Soak in the restorative powers of Devil's Thumb Ranch.

TREATMENTS

We recommend arriving 30 minutes prior to your appointment. This allows for check-in and enjoyment of the spa amenities. However, you are welcome to come even earlier or stay after your services to relax and enjoy a glass of wine. If you are late, out of consideration for the next guest, your service will still end as scheduled.

GUEST FEES

Access to all Ranch Creek Spa Amenities (hot tub, steam room, dry sauna and aromatherapy room) is complimentary when having a spa service or participating in a yoga class.

AGE REQUIREMENT

Guests 15 years of age or older may enjoy spa treatments—with use of spa locker rooms plus amenities—and participate in yoga classes on their own. Guests 14 years and younger may do so under the supervision of a parent or guardian. Guests 14 and under will be assigned a female therapist.

CANCELLATIONS AND NO-SHOWS

Cancellations must be made 2 hours prior to your appointment to avoid being charged in full. No-shows will also be charged the full amount of the treatment.

GENDER PREFERENCE

You may request a male or female therapist for your spa services. All therapists are experienced professionals who will properly drape you throughout your treatment.
